No additional charge for catchers. Catchers will receive defensive training, hitting instruction, and a t-shirt. Catchers can be a player, friend, parent or sibling.

Camp Summary

Thank you for your interest in the Thunder Sports Pitching and Hitting Camp at Yorktown JAA Park. Thunder Sports is the premier instructional softball camp company in the country. Our staff is dedicated to making your experience the single most important 2 days in your softball career. The purpose of Thunder Sports camps is to teach the fundamentals as well as the advanced skills of softball to various age levels, helping each participant to better understand the game both mentally and physically. Joining us will also allow players to further develop individual skills through instruction and individual attention. Players will work hard but have fun doing so.

Thunder Sports Camps welcomes all individuals, groups, partial to full teams and organizations.

Players Receive

- **All players**
- Up to 10+ hours of elite, professional instruction
- Opportunity to meet and learn from former professional players and collegiate stars
- Low player to coach ratio (last year around 7 to 1)
- Position specific instruction for pitcher and catchers on the field with verbal assessment of skills throughout camp
- Lunch will be served at the fields
- Camp T-shirt
- Pitching guide for success
- Opportunity to develop life-long friendships with players and staff

June 15th: Day One 9:00am to 3:00pm

June 16th: Day Two 9:00am to 3:00pm

Every player age 8-18 has the opportunity to take her game to the next level. With 10+ hours of professional instruction, each player will work on all aspects of fastpitch pitching and hitting for softball.

What will I learn at this camp? As a player you will be evaluated by a professional eye and receive hands on, intense softball training. Our goal as a staff is to provide you with the tools to better your game, increase your knowledge, skill and confidence and assist in getting you to the next level of play and beyond.

- Stance, Balance and swing plane for hitting
- Mental preparation and Hitting Philosophy
- Hand-eye coordination drills
- Opposite field hitting
- Hitting with two strikes - Hitting Off-speed pitches
